

Welcome Colorado State Employees

Our great state has everything to offer, including a lender who'll enable you to realize all your homeownership dreams!

A Colorado Company

Equity Mortgage, LLC was established in Denver in 1998 as a residential mortgage broker providing service in Colorado. We've expanded our brokering capabilities to become a nationwide, full-service mortgage banker.

We are proud to provide:

- a broad scope of loan products
- the most advanced technology available
- automated underwriting for quick approval
- the most experienced staff in the industry

Financing to Fit Your Needs: First and Second Mortgages, Home Equity Lines of Credit, Debt Consolidation, Construction Loans, Commercial Loans, Investment Properties, Home Improvements, vacation and Second Homes.

Our customers receive the best products and service at the lowest possible price. Call To Take Advantage of a Job Done Well, On Time and With No Surprises!
